Crumbs of Knowledge

What do I do if I need more help outside these Zoom calls?

You can always contact your Service Unit Cookie manager and other troop cookie managers in your Service Unit. If the question concerns your Service Unit area, we suggest not using Facebook, as each Service Unit might run things differently.

The Product Program team at GSofSI DOES NOT and WILL NOT monitor Leaders Lounge or other Facebook pages and/or groups.

When sharing sales link on social media, it is best to limit to family and friends and not share in public facing groups.

Caregivers must approve the girl delivered orders within five days or the sales will default to either cancel or donate as selected by customer.

Caregivers can turn the girl delivered option off, along with individual cookie varieties- the site will still allow shipped and donation orders.

Where do the credit card payments from Digital Cookie orders go?

Digital Cookie orders are all paid for by credit card. You will see all payments under the "Payments" tab in eBudde. Those amounts are taken off your totals owed to Council. See the Sales Report tab in eBudde under "Payments Made" for total of DC orders.

Reminders

- All cupboard orders must be placed in full case amounts of the same variety. 1 case = 12 packages
- No combining two varieties to make a whole case. For example, 6 Thin Mints and 6 Tagalongs to make a case are prohibited.
- Cupboard orders must be placed by Sunday evening every week, if needed, to guarantee cupboard inventory.
- If cupboard orders are placed after this day, then orders are not guaranteed, and cupboard managers and/or council will make the necessary adjustments.
- Last-minute cupboard orders will then be on a first come, first served basis.
