Women In STEM Extension Patches Activity Sheet

Earn additional add on patches for extra learning with women in Science, Technology, Engineering and Mathematics!

In addition to the main Women in STEM patch there are three optional bar patches uniquely designed to pair along. Each bar has a set of three different optional requirements Girl Scouts can complete.

Requirements: Complete one activity under each featured bar patch listed to earn that specific new patch. Girl Scouts can earn all three on their own or in a troop setting.

Empower:

1. Attend a Women in STEM Webinar Series Event #1*
2. Take on empowering STEM with discussing the impact women have or have had in STEM
3. Create a picture of yourself as a woman in a STEM career

Encourage:

1. Attend A Women in STEM Webinar Series Event #2*
2. Discuss how you can encourage fellow Girl Scouts to learn more about STEM
3. Find an encouraging quote from a Women in STEM and share it with friends, family or in a troop setting

Energize:

1. Attend a Women in STEM Webinar Series Event #3*
2. Energize with completing one new STEM activity
3. Investigate another famous Women in STEM and her contributions

*Women in Stem Webinar Series 1-3 events are located on the GSEvents calendar and feature different woman guest speaker in STEM careers. Attend to listen to career professional women on their experience and journey in STEM. Attending one of the events Girl Scouts will earn the patch associated with that series number.

Patches can be ordered in the Online Council Shop!
